of FRANCES SHIMER SCHOOL

ESTABLISHED 1853

MOUNT CARROLL, ILLINOIS

SUPPLEMENT TO THE
Frances Shimer Record
FEBRUARY, NINETEEN

The aim of the Frances Shimer School is to train its students for life rather than for a particular vocation. The school seeks to develop in the young women intrusted to its care, sound minds in sound bodies, and to inspire them with ideals, democratic and altruistic, to the end that they may realize their obligation to make some individual contribution to the common welfare
